

7.1 – Purchase of Marijuana by Residents and Visitors

Amendment 64 authorizes persons in Colorado to possess up to one ounce of marijuana. The Task Force therefore recommends that the General Assembly clarify that all persons aged twenty-one years or older – resident or a visitor – shall be permitted to purchase marijuana for personal use.

However, the Task Force recommends that the General Assembly **impose** ~~consider imposing a reasonable per-transaction limit of less than one~~ **quarter of** one ounce of marijuana and marijuana-infused products for **non-residents** ~~both Colorado residents and visitors.~~

~~The Task Force further recommends that the General Assembly consider setting per-transaction purchase limits that are more restrictive for non-residents than for residents.~~
